00:00:00	UNKNOWN	Yo no sé si ya tienen el audio para que lo compartamos. Adelante,	I don't know if they already have the audio for us to share. Let's go ahead,
00:00:30	JOSÉ IGNACIO HERNÁNDEZ	Yo espero que esta reunión sea confidencial, porque no es bueno que las debilidades salgan a la luz pública. Pero les voy a decir que me sorprende lo que han durado estas murallas de protección que construí. Yo nunca pensé que esas murallas iban a durar 16 meses y es lo que han durado, pero más temprano que tarde se lo estoy diciendo yo, Porque yo construí esas murallas y modestia aparte, nadie conoce mejor las murallas de defensa judicial que yo. Yo como diseñador les digo que esas murallas son débiles y están fracturadas y van a colapsar, y a eso le sumamos un posible cambio político en Estados Unidos y ni qué decir de Venezuela, pudiésemos estar a 6 meses como mucho de una situación incluso peor a la que estaba en enero del 2019.	I hope this meeting is confidential, because it is not good for weaknesses to come to light. But I am going to tell you that I am amazed at how long these protection walls that I built have lasted. I never thought that those walls were going to last 16 months and that is what they have lasted, but sooner rather than later I am telling you, because I built those walls and modesty apart, nobody knows the walls of judicial defense better than I do. As the designer I tell you that these walls are weak and fractured and will collapse, and to that we add a possible political change in the United States and, needless to say, Venezuela, we could be 6 months at the most from an even worse situation than the one in January 2019.
